12. While the Mughals were still in power, the Rajputs were unable to extend their territory because of the growing power of the Marathas. What does this tell you about the condition of the Mughals during this period?

**13. Read the passage and answer the questions.**

The Mughal dynasty ruled India from 1526 CE until the 18th century. The Mughals appointed governors called subedars and officials called mansabdars to help them with their administration. The mansabdars and subedars were in a powerful position as they had army and revenue collection in their control. The mansabdars and subedars gradually became less loyal towards the Mughals. They started managing their own territories and consolidating their positions. With time, the authority of the later Mughal emperors declined.

- a. Who were the mansabdars and subedars?
- b. How did the subedars and mansabdars cause the downfall of the Mughals?
- c. What do you think the mansabdars and subedars would do after they became independent of the Mughals?

**14. a) Read the passage and answer the questions.**

In the 18th century, the three provinces of Awadh, Bengal, and Hyderabad emerged as powerful and independent states. They were initially under the Mughals but became independent with the decline of Mughal rule. Match the states with the founding rulers.

Bengal

Nizam-ul-Mulk-Asaf-Jah

Hyderabad

Burhan-ul-Mulk Saadat Khan

Awadh

Murshid Quli Khan

b) Write any 3 ways in which the new rulers of these states consolidated their positions.

c) All the 3 founding rulers of Awadh, Bengal, and Hyderabad continued to maintain some ties with the Mughals despite becoming independent. Why?
